City riding is the bread and butter of our comfort bikes. The different seat shape and suspension make them ideal for a casual peddle around Lawrence.

I'm worried the bikes are too small or too big. Do you have different sized bikes?

Yes, we do have different sized bikes, ranging from extra-small to extra-large; however we don't have many. So, if size is a factor, be sure to come in a few days early to reserve the correct size bike for you.
